Exposed Back Bracket Design*

The Exposed Back Bracket design is **standard when the Aloe backrest is specified in IC+.**

The Aloe exposed bracket design allows the backrest to be completely sealed when upholstered in IC+. Ideal for areas where infection control and cleanability is essential, liquids, pathogens and bed bugs are prevented from entering the backrest structure.

The Exposed Bracket Backrest design can be specified for other upholstery options, however the required sewn seams of alternative upholstery products can expose the external backrest structure to liquids, pathogens and bed bugs.

IC+ upholstery can also be specified in the standard backrest design and must be highlighted at time of order to ensure accuracy.

Options

Description	Option Code	Notes
<i>Removable seat clip system</i>	ALOECLIP	See Aloe Product Features document for details.
<i>IC+ Under-Seat Seal</i>		
21" Aloe Guest Unit	21USS	A highly durable and impermeable upholstery coating, IC+ forms a seamless moisture-proof barrier that completely seals underneath the seat pan. IC+ stands up to all hospital cleaners including, but not limited to, Virox 5, Rescue, CaviCide, Wex-Cide and bleach.
24" Aloe Guest Unit	24USS	This option is available for chairs that are upholstered in IC+ or in healthHcentric approved fabrics other than IC+. Please check with your Customer Service representative for a complete list of approved upholstery products. ONLY a completely upholstered IC+ chair can offer a truly sealed and cleanable solution for infection control. (See IC+ training section for details.)
30" Aloe Guest Unit	30USS	
<i>Combination Upholstery (more than one fabric used on the same unit)</i>		
Combination Upholstery - two fabrics	CU2	When using combination upholstery of different grades, calculate the average price of all grade fabrics and add the upcharge for a total cost or contact Customer Service for a quote (please provide the specified fabric information and where each fabric will be used on the chair to obtain a quote).
Combination Upholstery - three fabrics	CU3	
<i>Seat and Back Covers</i>		
21" & 24" Removable Seat Cover (each)	21/24 RSC	Grade 1 pricing only. Please contact healthHcentric Customer Service for additional grade pricing.
30" Removable Seat Cover (each)	30 RSC	
21" & 24" Removable Back Cover (each)	21/24 GRBC	Removable back covers are not available for chairs with the Exposed Back Bracket design.
30" Removable Back Cover (each)	30 GRBC	
<i>Frame Color</i>	See Fabric and Finishes section	Standard frame color is Silver. Additional colors are available for an upcharge per chair.
<i>Cal 133/Moisture Barrier</i>	CAL133MB	Per yard upcharge.

OPTION DESCRIPTION & CODE

Closed Arm Panels (per chair) - Pricing for *two arms* (upcharge to be added to chair prices)

Offers a pleasing aesthetic and additional comfort. Arm caps are securely fastened with metal-to-metal connectors and are site replaceable if required.
