Exposed Back Bracket Design*

The Exposed Back Bracket design is **standard when the Aloe backrest is specified in IC+**.

The Aloe exposed bracket design allows the backrest to be completely sealed when upholstered in IC+. Ideal for areas where infection control and cleanability is essential, liquids, pathogens and bed bugs are prevented from entering the backrest structure.

The Exposed Bracket Backrest design can be specified for other upholstery options, however the required sewn seams of alternative upholstery products can expose the external backrest structure to liquids, pathogens and bed bugs.

IC+ upholstery can also be specified in the standard backrest design and must be highlighted at time of order to ensure accuracy.

Options

Description	Option Code	Notes
<i>Removable seat clip system</i>	ALOECCLIP	See Aloe Product Features for details.
<i>IC+ Under-Seat Seal</i>		A highly durable and impermeable upholstery coating, IC+ forms a seamless moisture-proof barrier that completely seals underneath the seat pan. IC+ stands up to all hospital cleaners including, but not limited to, Virox 5, Rescue, CaviCide, Wex-Cide and bleach.
21" Aloe Unit	21USS	
24" Aloe Unit	24USS	This option is available for chairs that are upholstered in IC+ or in healthHcentric approved fabrics other than IC+. Please check with your Customer Service representative for a complete list of approved upholstery products. ONLY a completely upholstered IC+ chair can offer a truly sealed and cleanable solution for infection control. (See IC+ Section for details.)
<i>Combination Upholstery (more than one fabric used on the same unit)</i>		When using combination upholstery of different grades, calculate the average price of all grade fabrics and add the upcharge for a total cost or contact Customer Service for a quote (please provide the specified fabric information and where each fabric will be used on the chair to obtain a quote).
Combination Upholstery - two fabrics	CU2	
Combination Upholstery - three fabrics	CU3	
<i>Seat and Back Covers</i>		
21" & 24" Removable Seat Cover (each)	21/24 RSC	Grade 1 pricing only. Please contact healthHcentric Customer Service for additional grade pricing.
21" & 24" Removable Back Cover (each)	21/24 GRBC	Removable back covers are not available for chairs with the Exposed Back Bracket design.
<i>Frame Color</i>	See page 8	Standard frame color is Silver. Additional colors are available for an upcharge per chair.
<i>IC+ Coated Step Color</i>	STEP	Standard IC+ coated step is in Silver Ion. See Fabrics and Finishes Section for available IC+ colors and color codes.
<i>Cal 133/Moisture Barrier</i>	CAL133MB	Per yard upcharge.

OPTION DESCRIPTION & CODE Upcharge

Closed Arm Panels (per chair) - Pricing for *two arms* (upcharge to be added to chair prices)

Offers a pleasing aesthetic and additional comfort. Arm caps are securely fastened with metal-to-metal connectors and are site replaceable if required.
