

# THE MEDICAL STOOL SERIES PRODUCT FEATURES

The healthHcentric Medical Stool Series offer superior infection control features and are backed by a 10 year warranty. The IC+ PVC-free upholstered seat and under seat seal options completely seal the seat pan, including the underside of the seat, to offer a seamless and impermeable solution against liquids and pathogens.

The ring height adjustment activator ensures ease of adjustability from every angle. Highly cleanable, the 22 inch Chrome 22 base offers a fixed height footring built for durability in 24/7 environments. Additional base and lift options provide the ultimate flexibility for operating rooms, examination areas, nursing stations or wherever mobile seating is required.

All healthHcentric Medical Stools are GREENGUARD® certified.

## INTRODUCING A NEW KIND OF MEDICAL GRADE SEATING

healthHcentric stools are designed with the healthcare industry in mind. A highly durable and impermeable upholstery coating called IC+\* is used to form a *seamless moisture-proof barrier*, including the underside of the seat pan (optional), on all healthHcentric chairs.

- +Superior puncture and tear resistance
- +Non-porous
- +Guaranteed not to crack
- +PVC-free
- +Anti-slip protection
- +Superior cleanability and cleaning agent tough
- +Bed bug proof
- +10 year warranty
- +No off-gassing
- +GREENGUARD® certified when upholstered on any healthHcentric chair

\*IC+ Medical Grade Protection.  
Patent Pending.

Proprietary to healthHcentric, IC+ offers superior cleanability, standing up to all cleaning agents including Rescue, bleach, Cavicide, Wex-Cide and Virox 5. IC+ is patent pending and offers an abrasion rating of 1,000,000 double rubs.

## RING HEIGHT ADJUSTMENT ACTIVATOR

The Medical Stool Series' ring type height adjustment activator makes it easy to adjust the seat height from any angle.

## DURABLE & COMFORTABLE

The Medical Stools are designed from top to bottom to be easily cleanable and easily sterilized.

Warranted for 10 years up to a weight of 280 lbs., healthHcentric Medical Stools are built to withstand the demands of a 24/7 environment.

The self-skinning polyurethane (PU) seat foam option resists damage from punctures, grease, water and chemical spills. The excellent cushioning properties offer high impact resistance and flexibility while providing a comfortable seat. Available in black only.

## ULTIMATE FLEXIBILITY IN SEAT HEIGHT

The Medical Stool model offers a Pneumatic Dual Height Adjustment System to provide ultimate flexibility in seat height range. The height adjustable collar can be positioned on the pneumatic cylinder at any level to accommodate a wide range of surface heights. (1) A friction fit around the collar secures the pneumatic cylinder inside the hub of the Chrome 22 base. The height adjustable collar can be repositioned at any time for virtually any work height requirement. Users can further adjust the seat height for personal comfort using an adjustment paddle.

The 22 inch Chrome 22 base is highly cleanable and offers a fixed height footring built for durability in 24/7 environments.

## MODULAR DESIGN

Seats, legs, bases and casters can be easily interchanged at any time, making it easy and inexpensive to repair or reconfigure stools to suit changing needs.

The Medical Stool Star Base and Scooter Stool Series offer additional base styles, lift heights and footring options to provide the ultimate flexibility for mobile seating and smaller space requirements.

As well, healthHcentric Medical Stools can be customized with different seat sizes.
