

# THE ULTIMATE MEDICAL STOOL PRODUCT FEATURES

Introducing the most hygienic stool on the market. The healthHcentric Ultimate Medical Stool's foot activated adjustment treadle lever allows easy adjustment for multiple seat heights without the use of hands to help maintain infection control standards. Backed by a 10 year warranty, the IC+ PVC-free upholstered seat and under seat seal options completely seal the seat pan, including the underside of the seat, to offer a seamless and impermeable solution against liquids and pathogens.

The Ultimate Medical Stool was designed from top to bottom for the medical profession, with every inch and every feature created to be the ultimate in medical stool design. The Ultimate Medical Stool is GREENGUARD® certified.

## INTRODUCING A NEW KIND OF MEDICAL GRADE SEATING

healthHcentric stools are designed with the healthcare industry in mind. A highly durable and impermeable upholstery coating called IC+\* is used to form a *seamless moisture-proof barrier*, including the underside of the seat pan (optional), on all healthHcentric chairs.

- +Superior puncture and tear resistance
- +Non-porous
- +Guaranteed not to crack
- +PVC-free
- +Anti-slip protection
- +Superior cleanability and cleaning agent tough
- +Bed bug proof
- +10 year warranty
- +No off-gassing
- +GREENGUARD® certified when upholstered on any healthHcentric chair

\*IC+ Medical Grade Protection. Patent Pending.

Proprietary to healthHcentric, IC+ offers superior cleanability, standing up to all cleaning agents including Rescue, bleach, Cavicide, Wex-Cide and Virox 5. IC+ is patent pending and offers an abrasion rating of 1,000,000 double rubs.

## FOOT ACTIVATED

The Ultimate Medical Stool is foot activated to adjust the stool sitting height with our proprietary new treadle, making height adjustments much easier than the round ring found on other foot activated stools without any concern of a shoe heel catching on the ring.

## DURABLE

The Ultimate Medical Stool is designed from top to bottom to be easily cleanable and easily sterilized. Warranted for 10 years up to a weight of 280 lbs., the Ultimate Medical Stool is built to withstand the demands of a 24/7 environment.

## COMFORTABLE & FLEXIBLE

The stool's high resilient seat foam ensures longer term comfort with no bottoming. The Ultimate Medical Stool can be customized with different seat sizes and a seat-back can be added to ensure comfort for multiple users and work requirements.
